

Edward Simmons, Well Known In
Mayville, Among the Number.Horror!
Yesterday morning the main span of the
new Louisville and Mayersville Bridge fell
with a fearful crash.Fifty men went down to death in the mas-
troom 110 feet below.Among the unfortunate was Ed. Simmons,
who superintended the erection of the vi-
aduct along Front street this city, and who is
well and kindly remembered by many May-
villeans.He leaves a wife and several little children
to mourn the loss of a devoted husband and
father.Mr. OLIVET is on a boom. There were
five births in one week.NEXT week, commencing Monday
night, the old favorites, the G. G. Comedy
Company, 10, 30 and 50 cents.THERE will be the regular services at
the M. E. Church, South, to-morrow morning
and evening. You are cordially invited to attend.HENRY T. KINCAID, aged 23 years, died
of diphtheria at Louisville. He was a brother
of the well known Washington correspondent
of the same name.THE patrons of the Fern Leaf Post
office have petitioned Postmaster General
Russell to prevent the removal of the Post-
office to the country.You have been waiting for them. They
will be here soon, in an entirely new
repertoire of sparkling comedies. G. G. Co-
medy Company. Prices 10, 30 and 50 cents.

NEEDED IMPROVEMENTS

To Be Made In the Washington
Opera-House Immediately.Some needed improvements will be made in
the Washington Opera-house this
time and January 1st. The stage will be
covered on the outside from roof to cellar.
There has been complaint laid in to Manager
Kincaid at almost all entertainments by
patrons of the house that the breeze of the
curtains that a very perceptible cold breeze
blows from the stage. The bottles for sale
warm the house may be previous to the time
the rise of the curtains was always the signal
for a general quiver and a pulling up of
cloaks and wraps. When the stage is re-
covered the house will be much easier to heat
up and keep in a comfortable temperature.Another needed improvement which the
Finance Department will try and make by the
first of the year will be to purchase a stage
carpet, something that the house has not had
since its opening.It is not anything to be proud of when a
speaker like a Cleveland or Taylor walks out
on to a "board walk" to deliver a speech.
The improvements will certainly add to the
comforts of the house."The County Fair" To-night.
The County Fair at Cincinnati arrived this
morning at 10 o'clock. The fair is being
arranged on the stage at the Washington
Opera-house for their appearance to-night. Well,
the audience at the fair is the best of the
fair, with the company and will accompany it
through its Southern tour. They go from
Cincinnati to Louisville, where they play at
Havlin's all of next week. From Cincinnati
they go to Louisville, where they play the
Masonic. The sale of reserved seats at
Havlin's is very large and the indications point
to a packed house to-night.

ONE CENT.

SECOND YEAR.

ASSOCIATED CHARITIES.

AN ORGANIZATION EFFECTED
LAST EVENING.Committees Appointed From Each
Ward to Solicit Alms and Anything
the Good People Will Give Them.

Rules Governing Them.

At a meeting called after the Men's Meeting
last Sunday a proposition to organize an As-
sociated Charity met with great encourage-
ment on the part of those present, but no per-
manent organization was effected. It was
thought advisable to have more of our citizens
present.Philip S. Kemper and Harry C. Curran were
appointed a committee to draft a plan of
organization, which we here append, and a
careful perusal will show our citizens how and
by what judgment will their kindness.Moore, H. C. Bentley, William H. Cox and
M. C. Russell were appointed a committee to
select a committee of two from each ward,
who should solicit donations from our citizens:First—P. B. Browning, F. M. Lane.
Second—C. C. Calhoun, John T. Parker.
Third—James H. Hall, Thomas A. Keith.
Fourth—Philip S. Kemper, James Wallace.
Fifth—Sam M. Hall, W. B. Matthews.
Sixth—George M. Clinger, W. H. Ryder.To the Associated Charities: In the name of
Jesus and love for humanity, we, the com-
mittee appointed to draw plans for action, hereby
submit the following, believing it to be the
wisest and best basis upon which to formulate
this work of charity: A committee of two
from each ward in our city, who shall be
termed a Soliciting Committee, shall, by ap-
provisional consents, canvass our city and
receive donations of fuel, clothing, food and
provisions, keeping a record of all donations
with the donor's name. This, in turn, together
with all funds received, shall be committed
into the keeping and custody of some per-
son or committee of persons whose office shall
be that of Commissary Clerk, governed by rules
which shall issue from the organization. A
committee of three or more, in the discretion of
the society, which shall be known as the
Investigating and Distributing Committee.
We recommend the following:It shall be the duty of the Soliciting Com-
mittee to receive the contributions open two
days in each week (Wednesday and Saturday)
from 9 till 4 o'clock, and all needing assistance
shall send a call to the Investigating and Dis-
tributing Committee, giving name, street and
number of house. It shall be the duty of this
committee to go in person, investigate con-
ditions and if they deem the case worthy they
shall issue a printed order signed by any or all
of said committee. The person shall present the
order to the clerk at Commissary, who will
receive it and give out articles thereon named.
We desire to state that the committee, which
shall actually be necessary to a wise, judicious
and worthy bestowment of charity.We recommend that where indolent, profligate
and drunken men are found, the same be
reported to the city officials, who shall have
them dealt with according to ordinances
covering said cases.We recommend a central location for the
investigating and distributing committee, and
to this end a committee should be organized
to select a vacant room within a square of
Market street.PHILIP S. KEMPER, [Committee].
The above recommendations are asked to at-
tend a called meeting of the Associated Charities
in Y. M. C. A. Hall Sunday afternoon im-
mediately following this meeting.Don't fail to secure a free ladies' ticket
for Monday night, G. G. Comedy Company.
Prices 10, 20 and 30 cents.JOHN R. PROCTOR, who was appointed
a Civil Service Commissioner some time ago,
was selected President of the Civil Service
Commission. Lucky man.The stageboat E. A. Woodruff will be
called on to help remove the sunken barges
up the river that went down during the late
cool run. They will be moved.A FINE state of affairs exists in Louis-
ville. The Undertakers' Union refused to
bury a corpse because the husband owed a
bill. Such people as these undertakers owed
not be allowed to get along at all."Papa wouldn't buy me a how-how"
was said by a young Mayville, "ad until be
seen the large stock of fine jewelry and rare
Christmas bargains at Halligan's and then
the lad cried with joy, "papa bought my
present at Halligan's."THERE was a "ruction" on Second
street last night about 7 o'clock. The cause
for the excitement was a colored woman
passed two white girls, and the claims they
made fun of her, when she turned around
and gave them a little chase, while a dog was
barking at the structure. The girls escaped
with a good scare.THERE are several large letters and
then they were built for horses and vehicles to
stand on. The next thing we'll look out and
see some "billy" driving on the pavement for
a change. And if one of the citizens kicks
he'll be promptly scored, as this is a free
country, and we're all here on business. Let
the farmer have what he wants, and what he
doesn't see let him open his face and call
for it.The Ben Franklin Lyceum have de-
cided to hold, on the evening of December
17th, a "Mock Trial" at their room in the Cox
Building. This entertainment will com-
prise the forms and technicalities of an or-
dinary criminal case. The Lyceum have
passed two white girls, and the claims they
made fun of her, when she turned around
and gave them a little chase, while a dog was
barking at the structure. The girls escaped
with a good scare.THERE are several large letters and

Remedy in effecting a speedy cure of colds,
croup and whooping-cough has brought it
into great demand. Messrs. Patton & Son of
Cincinnati, O., say that it has gained a reputa-
tion second to none in that vicinity. James
M. Queen of Johnston, Va., says it is the
best he has ever used. P. J. Jones, Druggist, Wi-
consin, Miss., says: "Chamberlain's Cough
Remedy is perfectly reliable. I have always
recommended it, and never failed to give the
most perfect satisfaction." Fifty-cent bottles
for sale by John J. Reynolds, Druggist.

THE TARIFF BILL IS SETTLED!

Without the Aid of Congress or the Senate.

Appreciating the situation and feeling equal to the necessities of the hour for the relief of the people, and realizing that the supreme moment for action has arrived, we have taken in hand the common cause and abolished, absolutely, the tariff from that necessity—

BOOTS and SHOES.

Never, in the history of the Boot and Shoe business of Maysville, have these goods been so nearly given away as at this time at our house.

A WINTER SLAUGHTER!

has been determined by us and begins at once!

We mean by this that we have cut the life out of prices. The "life" means profit, which we give the buyer.

NEITHER
MCKINLEY
NOR
WILSON
ARE
"IN IT."

We do this because we would do the people a service, and we need money.

No assortment was ever seen in Maysville at this season to compare with ours.

All goods fresh from the shoemaker.

The newest styles, shapes and lasts.

Our stock of MEN'S and BOYS' WINTER BOOTS, of our own designs, are especially attractive, as well as our WOMEN'S and CHILDREN'S complete lines.

When you can buy Footwear at such prices as we are making them there is no reason why you should not be well foot-clad.

"Why cry price! price! when there is no price!"

The offer in your behalf is ours; the opportunity is yours. If slighted you lose.

Come and see us; we will do you good and save you money.

CATTLE THIEVES.

They are Getting Away With Everything in Sight in South Dakota.

MITCHELL, S. D., Dec. 14.—The present hard times do not deter the cattle thieves along the Missouri river from pursuing their calling. The rustlers and thieves along the Missouri have been more active this fall than ever before, and the range men as well as the farmers along the east bank of the river have suffered a heavy depletion of stock.

There are numerous places on the Missouri river where crossings are easily made, and the cattle thieves can, in a single night, get together a large herd of cattle and drive them across the river and then on the reservation, and before the owners know where to look for the stock it has all been branded and is in the hands of some dishonest ranger.

The owner may be satisfied in his own mind that a certain cow belongs to him, but he has no redress, as the brand of a different owner is on the critter. An organization of farmers and honest rangemen is necessary to exterminate the thieves, and it will be effected.

NICARAGUA CANAL

The House Commerce Committee Wants the Project Investigated.

WASHINGTON, Dec. 16.—To consider Nicaragua canal and the duties of the government toward it was the subject which Friday afternoon a full meeting of the house commerce committee. Senator Frye argued that the government could build the Nicaragua canal for \$75,000,000. The bonds would sell readily while bearing interest of only a per cent. that would make the interest money and repairs not exceed \$5,000,000 per annum.

The government contract would permit lowering rates, yet \$1 per ton profit would result at that figure. After an address by Senator Morgan, Mr. Storer, of Ohio, offered a resolution, which was unanimously adopted, providing for the appointment of three senators and six representatives, each to be appointed by the presiding officers of the two houses, to proceed as soon as possible and make a personal inspection of the route. The resolution will be reported to the house Saturday.

BIG SWindle.

St. Paul, Minn., Men Turn a \$250,000 Trick on Their Friends.

St. Paul, Minn., Dec. 16.—Expert accountants have been going over the books of the American Building, Loan and Investment Co., of Chicago, for two months, and it was learned Friday in St. Paul from directors of the company that there is a shrinkage of more than \$250,000 in assets and that the securities are practically worthless.

One item of assets is for \$140,000, loaned on pasturage at St. Paul park, which is not worth one-fifth of the loan. In April, 1891, Vice-President M. R. Modica and Secretary Wm. Marston got M. D. Miller, of this city, on the board of directors, and through him eastern capitalists were induced to make the loans on the St. Paul park property. All the lots are remote from the city and are unimproved. It is believed in St. Paul that Modica and Marston got all the money and made out the mortgages to "straw" men.

It Was Secured Directly Opposite Dr. Cronin's Office.

Chicago, Dec. 16.—The Coughlin case Friday, ex-Policeman John May testified to the location of the street where he saw the mysterious wagon with the trunk. A good part of the day was taken up by the defense in arguing to exclude the testimony relative to securing furniture for the Carlton cottage. The court ruled to admit the evidence, which was satisfactory to the state.

E. H. Throckmorton, a real estate man, testified to renting a flat to a man giving his name as J. R. Simonds, supposed to be connected with the Clamshell case. The flat was directly opposite Dr. Cronin's office. W. B. Hatfield testified to selling furniture for the Carlton cottage and court adjourned until Saturday.
